

List compiled by Judy Dumke

The field trip of the Tri-State chapter of the West Virginia Native Plant Society on 5 June 2004 went to Yatesville Dam, Lawrence County, Kentucky. This trip was along the nature trail at the marina located in off road # 1185. The trip was primarily in areas which had been modified in construction of the dam and related facilities. The south facing slope was quite dry and has an assortment of xeric species. However, the lake is also present increasing the humidity and providing aquatic species a home.

*Non native plants will be listed in italics*

Plants of special interest will be listed in bold.

Taxonomy follows Gleason and Cronquist 1991. The order is that in which the plants were observed.

*Lotus corniculatus L. Birds' foot trefoil*

*Bromus inermis Leysser smooth brome grass*

*Festuca elatior L. Tall fescue*

Erigeron stringosus Muhl. Rough fleabane

*Chrysanthemum leucanthemum L. Ox-eye Daisy*

*Rumex acetosella L. red sorrel*

Juncus tenuis Willd Path rush

Luzula acuminata Raf.

*Trifolium repens L.*

*Trifolium dubium Sibth Little Hop Clover*

*Taraxacum officinale Weber common dandelion*

*Lespedeza cuneata (Dum.Cours) G. Don Chinese Lespedeza (Serica)*

*Daucus carota L. Wild carrot, Queen Anne's Lace*

*Lonicera japonica Thumb. Japanese honeysuckle*

Toxicodendron radicans (L.) Kuntze Poison Ivy

Rhus copallinum L. Shining sumac

*Rosa multiflora Thumb multiflora rose*

*Cirsium vulgare* (Savi) Tenore bull thistle

*Liriodendron tulipifera* L. Tulip tree

*Clematis virginiana* L. Virgin's bower not flowering

*Eupatorium fistulosum* Barratt Joe Pye weed

*Cornus florida* L. flowering dogwood

*Rosa carolina* L. pasture rose Some with white flowers

*Asclepias syriaca* L. common milkweed

*Prunus serotina* Ehrh. Wild black cherry

*Mimulus ringens* L. Allegheny monkey flower

*Elaeagnus umbellata* Thumb. Autumn olive

*Juniperus virginiana* L. Eastern red cedar

*Lonicera maackii* (rupr.) Maxim bush honeysuckle

*Senecio pauperculus* Michx northern meadow groundsel, balsam ragwort

*Linum virginianum* L. Virginia yellow flax

*Rudbeckia hirta* L. Black eyed Susan

*Convolvulus arvensis* L. Common bindweed

*Hedyotis longifolia* (Gaertner) Hook Summer bluets

*Triosteum perfoliatum* L. Horse Gentian

*Hedyotis nuttalliana* (Fosb) bluet includes *H. tenuifolia*)

*Lespedeza repens* (L.) Barton smooth trailing lespedeza

*Rubus* spp. Blackberries and dewberries

*Achillea millefolium* L. yarrow (may or may not be native a circumpolar species multiploidy)

*Smilax glauca* Walter green briar

*Carya glabra* (Miller) Sweet pignut hickory

*Carex vulpinoidea* Michx (*C. Annectens*) sedge

*Allium canadense* L. Wild onion

*Rumex crispus* L. Curley dock

*R. obtusifolius* L. Bitter dock

*Penstemon canescens* (Britton) Britton Appalachian beards tongue

*P. laevigatus* Aiton eastern Beards tongue (*P. Calycosus*)

*Ludwigia alternifolia* L. Square pod water primrose (water willow)

*Smilax herbacea* L. green briar, cat briar

*Cercis canadensis* L. redbud

*Luzula multiflora* (Retz.) Lej Wood rush

*Dianthus armeria* L. *Depford Pink*

*Oenothera biennis* L. Common evening primrose

*Quercus alba* L. white oak

*Vitis aestivalis* Michx summer grape, pigeon grape

*Melilotus officinalis* (L.) All. *Yellow sweet clover*

*Potentilla reptans* L. *Creeping five finger*

*Apocynum cannabinum* L. hemp dogbane

*Gnaphalium purpureum* L. Purple cudweed

*Rudbeckia triloba* L. three lobed coneflower

*Asclepias tuberosa* L. butterfly weed

*Pinus strobus* L. white pine (planted)

*P. virginiana* Miller Virginia short leafed pine, scrub pine

*Andropogon virginicus* L. broom sedge

*Gnaphalium obtusifolium* L. fragrant cudweed

*Glechoma hederacea* L. *ground ivy*

*Ambrosia artemisiifolia* L. Common ragweed

*Salvia lyrata* L. lyre leaf sage

*Pycnanthemum tenuifolium* Schrader narrow leafed mountain mint

*Dioscorea villosa* L. Wild yam, colic root

*Ruellia caroliniensis* (Walter) Steudel wild petunia

*Euphorbia corollata* L. Flowering spurge

*Monarda fistulosa* L. Wild bergamot

*Scutellaria elliptica* Muhl. Skullcap

*Veronica serpyllifolia* L. *Thymeleafed speedwell*

Clematis viorna T & G clematis (should be checked to be sure not C. glaucophylla Small)

Verbesina occidentalis (L.) Walter southern flat seeded sunflower

Podophyllum peltatum L. mayapple

Blephilia ciliata (L.) Benth downy wood mint

*Verbascum thapsus* L. common mullein

Polymnia uvedalia L. yellow flowered leaf cup

Asclepias purpurascens L. purple milkweed

Anemone virginiana L. Thimbleweed

Hibiscus moscheutos L. rose mallow

Cryptotaenia canadensis (L.)DC honewort

Poa several spp blue grasses

Cunila origanoides (L.) Britton dittany, stone mint

Desmodium rotundifolium DC round leaved tick trefoil

Panicum laxiflorum Lam. Sensu lato panic grass (now Dichanthelium)

Phlox divaricata L. meadow phlox

Coreopsis major Walter forest tickseed

Krigia biflora (Walter) S. F. Blake orange dwarf dandelion, 2 flowered cynthia

Triodanis perfoliata (L.) Nieuwl Venus's looking glass

Hypericum hypericoides (L.) Crantz St. Andrew's Cross

H. punctatum Lam. Spotted St. John's wort

Asclepias variegata L. white milkweed

Virburnum acerifolium L. Maple leaf virburnum

Hydrangea arborescens L. American hydrangea

Heuchera longiflora Rydb. Closed flowered alum root

Hieracium venosum L. Veiny hawkweed

Porteranthus trifoliatus (L.) Britton Mountain Indian-physic

Sambucus canadensis (L.) Elderberry

Cynoglossum virginianum L. Wild comfrey

Solanum carolinense L. Horse nettle

*Liriodendron tulipifera* L. tulip tree

*Fraxinus pennsylvanica* Marshall green ash

*Tephrosia virginiana* (L.) Pers Goat's rue (Should be rechecked to be sure not *T. spicata*) fruiting

*Pteridium aquilinum* (L.) Kuhn bracken

*Aster paternus* Cronq. Toothed white topped aster (*seriocarpus asteroides*)

*Lechea racemulosa* Michx pinweed

*Smilacina racemosa* (L.) Desf. False solomon's seal

*Galium circaezans* Michx. Forest bedstraw, Wild licorice

*Arabis lyrata* L. Sicklepod, Rock cress

*Fagus grandifolia* Ehrh. American beech

*Panicum boscii* Poir. Panic grass

*Asplenium platyneuron* (L.) Oakes ebony spleenwort

*Asimina triloba* (L.)Dunal pawpaw

*Passiflora incarnata* L. Purple passion flower

*Matelea obliqua* (Jacq.) Woodson anglepod

*Santicula canadensis* L. Canada santicula

*Sabatia angularis* (L.) Pursh rose pink

*Campsis radicans* (L.) Seemann trumpet creeper

*Erigeron annuus* (L.) Pers.

This list only includes those species which were recorded on paper, others were present and recalled, such as red maple but as they were not on the list they are not included.
